

Midwestern Chapter International Society of Arboriculture

ARBOR DAY GOLD LEAF AWARD – NOMINATION FORM

The Gold Leaf Award is designed to recognize an individual, organization, or community in the Midwestern Chapter area for outstanding Arbor Day programs or community landscape beautification projects. This is an opportunity for the Midwestern Chapter to recognize projects that have had an impact on a community or region with an international award. Projects should show an impact over several years. Nominations for the award can be made in either of the following two categories.

Outstanding Arbor Day Activities – An award to recognize individuals, organizations, or municipalities that have promoted Arbor Day through special projects, ceremonies, news articles or observations with an Arbor Day theme.

Outstanding Landscape Beautification Activities – An award to recognize individuals, organizations, or municipalities that have made significant contributions through tree planting and landscaping which enhances environmental protection, conservation, beautification, air purification, or wildlife protection. Could also be for non-planting landscape activities that have had a positive impact in promoting tree care and tree preservation.

I would like to nominate the following for an **ISA Gold Leaf Award**.

Award Category (circle one): Arbor Day Landscape Beautification

Name: _____

Address: _____

City: _____ State: _____ Zip: _____

Email: _____ Phone: _____

Name of Nominating Member: _____

Please provide a description of the project or activity to be considered on the back of this sheet or on a separate sheet of paper. Additional supporting materials will be helpful.

All materials are due by December 14, 2018.

Please email all nominations to:
